About J.P. Cormier

Fans of the writing traditions of Stan Rogers and Gordon Lightfoot tend to equate the name J.P. Cormier with "songwriter", even before multi-instrumentalist. As a performer, J.P. is known for his flawless delivery of original 'story songs', most often basing his lyrics on true events. Inspiration comes when he least expects it and, in his words, "I just hold the pen."

J.P.'s impressive body of work has earned him a vast and loyal fan base, and multiple award nominations and wins, including, 12 East Coast Music Awards, Canadian Folk Music Award, 5 Music Nova Scotia Awards, Juno nomination, Commendations from the Governor General of Canada and Premier of Nova Scotia.

About the Utopia Community Hall

Originally built in 1956 by residents in Utopia, the hall was purchased in 2006 from Essa Township by Susan Antler and her company, Visions of Utopia, with the intent of keeping the hall an important part of the community and to help advance the fundraising efforts of the *Friends of the Utopia Gristmill & Park* and wildlife conservation initiatives. Three years later and thanks to the building & restoration talents of neighbours, friends and family, the Utopia Community Hall is now "back" and ready to be put to work! The sound and space are fantastic ... please consider yourself welcome ... and THANK YOU for your support.
